Acknowledgements

Cheryl Matt, a 17 year Rotarian, was recognized for her efforts with Rotary International. Cheryl was named a Paul Harris Fellow. She received a certificate and a pin signifying her hard work and dedication to RI. Cheryl has contributed much of her Rotary effort to helping overcome Polio. Cheryl spoke about going to a school where developmentally and physically disabled children also attended. This experience made her more aware of others situations. She then volunteered her summers at a camp for disabled children. She believes that *“no one should have to go through a crippling disease that is preventable.”*

For that we thank you Cheryl.
