3/15/11 Mark Smith, One of the Board of Directors for Feed Our Vets came to share his work and how passionate he is about the program. Mark shared how much it upsets him and his family to know that the very people that helped ensure our freedom are now going hungry. This knowledge has helped open the door to taking action on this serious problem and helping our vets. The local pantry is located at 205 Genesee St. in Utica. The Utica Pantry helps feed 100 Vets. A new addition to the program is a mobile pantry that travels to Watertown and other cities supplying food. "Feed Our Vets" main goal is to be recognized on a national level and have more resources to help more vets. Donations are always welcomed in the form of non perishable food items or monetary gifts. The Grand Opening of the Utica Pantry is 3/19/11. There will be a 10am presentation of flags honoring the founder, NY Postmaster and Navy Veteran, Rich Synek.
